

Campus Portal - What is it?

Campus Parent is an on-line portal parents can access to get information about their student(s)

The Campus Portal connects parents and students to student information. The district will support access for the parent.

- Campus Parent provides information regarding:
 - Attendance
 - Assignments
 - Grades
 - Schedule
 - Academic Plan for HS only
 - Reports
 - Un-official transcript
- Parents can set up notification thresholds
- The school or district can put announcements on the portal for the parent/student
- Teachers and parents can send email messages to each other

What is Campus Student- Student Portal?

The Campus Student Portal connects students to their information. Campus Parent provides information regarding:

- Attendance
- Assignments
- Grades
- Schedule
- Academic Plan for HS only
- Reports

What if the student is having trouble logging into Campus Student?

- Campus student is located on the FCS page by clicking CLASS LINK
- The student can also access Campus Student by going to Campus Portal and then choosing Campus Student <https://www.fultonschools.org/infinitecampus>
- Credentials for first time users are given at the school
- Username is Student ID and Password - DOB (mmddyyyy)
- If student is having difficulty logging in, this is related to their single sign in. Refer to technology service desk.
- There should be no other issues other than access (which is provided by school).
