

# Little Medical School Coming to Barnwell Elementary School!

Little Medical School offers STEM activity-based classes where we strive to inspire the next generation of Healthcare Heroes! We are offering a 6-week class beginning at the end of October. *Classes are limited to 12 students, so register quickly!* We're excited to inspire your student to imagine a future in a profession that perhaps they didn't consider before this class!

## Little Doctor School

Through role-play and activities, students will learn the key responsibilities of a doctor and explore the heart, lungs, and digestion. Students will use real medical instruments (stethoscope, reflex hammer, and blood pressure cuff) and practice scrubbing, suturing, and tying knots like a real surgeon.
