FCS Nutrition

Families can still pick up meals during remote learning. To continue free or reduced price meal benefits for students each household must complete a new application every year. Free and Reduced Meal Benefits will end on **September 28, 2020**, if the household has not reapplied for SY2020-2021. If there is an interruption in benefits or the household does not reapply, the household is responsible for payment of meals until the Free and Reduced Application is approved.

To help assure continuation of benefits, households must complete an online application by **September 27, 2020**, at www.fulton.schoollunchapp.com.

Eligible families are encouraged to complete a Free and Reduced application for SY2020-2021. All information is strictly confidential. Only one application is needed per household.

For questions or more information regarding Fulton County School Nutrition and Free & Reduced Meal Applications, please contact the Meal Eligibility Desk at (470) 254-2220 or by email at freeandreduced@fultonschools.org.

Social Emotional Learning (SEL)

Fulton County Schools is implementing a new Social Emotional Learning curriculum this year. Students will take part in lessons on Student Success Skills in the classroom. This will occur during the first 6 weeks of school and resume in January with more lessons. The focus skills are: Sense of Belonging, Self-Awareness, Self-Management, Social Competence, Collaborative Problem Solving, Reflective Learning Strategies

What else is going on at SBCE?

- The building looks GREAT. We can't wait for everyone to see it. Over the summer we went through renovations and all the classrooms were painted. Some of the floors were replaced. We received brand new, clear windows in the common areas. Most classrooms received new cabinets and closets. They are a beautiful grey color—out with the turquoise! :-)
- I am working with our fantastic METI Mary Justice, to create a way for students to continue with library check out while in Universal Remote Learning mode.
- We will continue teaching our PBIS expectations while students are in remote learning. We want them to easily transfer those expectations when they return to school.
- Please consider joining the PTA—Even remotely, they provide lots of support and services for our school and especially our teachers. <http://www.sbcepta.org/join-pta.html>
