

Autrey Mill Middle School Georgia Trip
November 7 and 8, 2019
Parent Information Page

Parents and Guardians:

We are excited to provide your 8th graders the opportunity to experience many historical and educational sites that our great state has to offer. And we're sure they'll have some fun along the way! As with any overnight field trip, we do realize that emergency situations may arise where you might need to contact your child or the AMMS staff. Please find the contact information for the four hotels where we will be staying in Savannah below, as well as Anita Erickson's school cell phone number. All four hotels are within walking distance with chaperones and security officers are assigned to each location. We want your child to experience this trip to the fullest. Please remember that this contact information is for **emergency use only**. **If your child becomes ill on the trip, you will be required to get him/her in Savannah.**
