

## **Follow These Steps DAILY to Make Sure Your Fulton County Laptop is Working Well**

1. Log in daily using your student ID # and birthdate (MMDDYYYY) password
2. Type the word "updates" in the white search bar in the bottom left corner:

3. Select "Check for Updates"
4. If updates are needed, install them immediately!
5. Then click "Check online for updates from Microsoft update"

Congratulations, you've just installed the newest feature update.  
We'll continue to check daily for newer updates.
