Submission Types

(Mail Only)-This icon represents colleges that only accept documents submitted via mail. The school does not accept documents electronically.

(Electronic)-This icon represents electronic destinations that accept documents electronically via Naviance eDocs

(Common App)-This icon represents Common App destinations that accept documents electronically via Naviance eDocs. It's important to note this icon means the student has explicitly chosen to apply via Common App and indicated "Yes" in **Family Connection > Colleges I'm Applying to**. However, on College tabs (showing the college profile) it indicates the fact that it's a CA college, but not whether the student is applying via CA.

(Unknown)-This icon is displayed when a student adds a Common App college but has not indicated whether or not he or she plans to apply via the Common App Online. This status does not prohibit you from submitting Common App forms for the student, but you will receive a warning message advising you that the student has not indicated their plan. A message is displayed to inform the school counselor that the student had not made a selection whether applying via Common App and submission would default to Common App delivery.

(Common App via Electronic)-This icon is displayed when a student has selected a Common App college and has indicated that he or she is not applying via the Common App Online. However, if the school is also an electronic destination (in addition to Common App) you can continue to submit documents (NACAC and other school forms, transcripts, and letters of recommendation) electronically.

(Common App mail only)-This icon displays when a student has selected a Common App college and has indicated that he or she is not applying via the Common App Online. However, the school is not an electronic destination so you will have to print and mail (other school forms, transcripts, and letters of recommendation) to the destination.
