

# Common App

- The Common App is an undergraduate college admission application that applicants may use to apply to any of the 800+ member colleges and universities.
- You can access the Common App by going to [www.commonapp.org](http://www.commonapp.org)
- Some schools are Common App exclusive, which means they do not accept any application other than the Common App. Some schools accept both the Common App and their own individualized, web-based application.
- We **STRONGLY** encourage you to apply via the Common App even if the college or university offers an alternate application for admission.
- Of course, this does not apply for schools who do not accept the Common App. To view the 800 schools that accept the Common App, check out the members page of the Common App website.

# Common App Matching

- In order to match the Common App account, students must first complete the following steps in their Common App account:
