HOW TO BE SUCCESSFUL

Here are several tips to help you towards success in the online learning area:

1. Get Organized
2. Set Up Your Workspace
3. Figure Out How You Learn Best
4. Make A Schedule
5. Be an Active Participant
6. Stay Connected
7. Have an Open Mind
8. Ask Questions
9. Hold Yourself Accountable

WHATS DO WE DO?

TAKING A FULTON VIRTUAL SCHOOL (FVS) COURSE?

FVS provides online learning options for high school students throughout the district, enabling greater flexibility for students aiming to recover credit or accelerate classes. Fulton Virtual courses are teacher-led; instructors work with students, parents/guardians and other interested parties (e.g., counselors, virtual lab coordinators, etc.) to deliver course learning objectives and support the academic needs of each student. Moving forward, the offerings of Fulton Virtual Campus will provide even more varied and dynamic content, user friendly customization and personalization options, as well as opportunities for students at earlier ages to engage in learning virtually.

TAKING A GEORGIA VIRTUAL SCHOOL (GAVS) COURSE?

GAVS is a program of the Georgia Department of Education's Curriculum and Instruction Division. Georgia Virtual School provides a teacher led, virtual classroom environment. Georgia Virtual School also equips students with an online media center and guidance center to support students throughout their online course experience.

FULTON COUNTY CREDIT RECOVERY (FCCR)

FCCR is through Canvas and is a FREE online platform designed to re-teach the material you did not master in the classroom, wherein the student failed a face-to-face course. Canvas courses feature standards-based instruction and powerful interactive tools that support learning. You are required to sign a contract and follow all policies.
