

Activate Your Digital Assistant

This test pack comes with a free, personalized, and secure Digital Assistant. To access it, scan the QR code below with your phone's camera, or visit safercovid.org/testga

Earn a gift card

We are offering a gift card for participants who take a short survey and report their test results through the Digital Assistant

The Digital Assistant will:

Provide guidance for every step of the test

Remind you when to test to keep to the twice-a-week testing schedule

Time the test to make sure you wait the right amount of time for results

Keep a log of your test results over time, privately and securely

Take action to keep your family and community healthy

Testing at home 2 times per week can help identify COVID-19 infection early so you can prevent spreading the virus to others
