Parent COVID Reporting Portal, Afternoon Traffic, and Fall Sports Update

October 21, 2020

Greetings Hornets,

Really, we do not try to fill up your inbox with superfluous emails but there is a lot going on and we do try and keep you updated.

Parent COVID Reporting Portal.

Thank you to those of you who have asked about how the notification process works if a student or staff member at Roswell High School tests positive for COVID.

If we have any report of a case, nurses with the school district reach out to the Fulton County Board of Health with information about the case. The Board takes the information provided by the nurse and advises the District and the local school administration regarding whether any parents or staff members need to be notified and what information that notification should contain. This may be based on whether the COVID positive person entered the building, who the person may or may not have interacted with, and if people were wearing

masks.

Here is where our community's role in this process is so very important. On Monday, I sent out the information regarding the Parent Reporting Portal. If you suspect that your student has had **any** interaction with a person who may be positive for COVID, **please report that to the portal**.

This could include contact at home, at school (with another student or staff member), with your family, or even at the store. This information helps our school nurses accurately communicate with the Board of Health and makes sure we are giving the appropriate people all the information they need to make the best decisions they can.

All of the information needed to make a report is [HERE](#) or on the front page of the District website at www.fultonschools.org.

Afternoon Traffic

We are so fortunate to have so many of our students back in the building, but this has created traffic issues in front of the school. We do have a school police officer who directs traffic but there is a lot of volume. While we understand the frustration of having to wait to pick up your student, please note that vehicle traffic may not enter the bus lot (the entrance off Hardscrabble) as this prevent us from getting our school buses off our campus in time to get the middle school students home. Please also do not enter the Senior (also known as the "Stadium") lot.

Veteran Hornet parents have developed a few tricks. One of the best is to wait a little later to come pick up their students. Normally, traffic has loosened up around 3:45 p.m. or closer to 4:00 p.m.

Fall Sports

Congratulations to our *Varsity Softball* team as they made it to the AAAAAAA GHSA State Tournament for the first time in a long time. While the game did not go the way we wanted, the team had a historic season. Congrats to *Taylor White* who was named to the All-Region team and *Hannah Gore* who was named the Region Player of the Year!

Congratulations also to our *Varsity Volleyball* team as they swept Mountain View High School last evening to advance to the second round of the AAAAAAA State Tournament. Congratulations and good luck in the next round.

Don't Forget!

drama

In closing, I truly appreciate our staff, students, and parents who reach out to me with questions. I know that we are all working to keep our school as safe as possible, but the feedback and questions helps to make sure we are taking all the steps that we can.

Thanks and have a wonderful day.

Go Hornets!
