#### **Phase IV**

Phase IV started today! We learned late last week that after school Sweep Buses will not start until October 14, 2020 so if students are staying after school for a club, sport, or activity, please plan accordingly.

If you are attending school Face-To-Face, a reminder that your group now attends two days a week instead of one, with Wednesday still remaining asynchronous (although you must check in with your teachers to receive credit for "participating" in school).

To see the entire Phase IV plan, please click [HERE](#).

The new days that groups attend is below:

A reminder that groups are assigned alphabetically by students' last name. Check Infinite Campus if you are not sure to which group you have been assigned.

- Monday (Group 1)
- A through E
- Tuesday (Group 2)
- F through K
- Thursday (Group 3)
- L through P
- Friday (Group 4)
- Q through Z

### Face-To Face Information

We are excited to welcome students back to school starting on October 14, 2020. The Roswell High School

Back-To-School Committee is already at work putting our plan in place. Below are some important items we can share about what school will look like on October 14, 2020.

- We will be returning to our regular bell schedule starting October 14, 2020. While there will be some small adjustments to add time between classes (this is to account for staggered class dismissals and giving teachers additional time between classes), long breaks and the “Office Hours” period will end.
- While we will endeavor to honor social distancing as much as possible, it is important for all our stakeholders to note that “six feet” of separation will not be possible throughout the school day.
- All staff and students will be required to wear masks all day unless they are eating.
- We will continue to distance cafeteria seating as much as possible. We will also open additional tables on the gym track, if needed, to additionally separate students. Dining outside, weather permitting, will remain a possibility for students in all grades.
- Based on our current numbers and survey results, we anticipate between 1,500-1,700 of our 2,247 students returning for Face-To-Face instruction.
- Random temperature checks for staff and students will continue.

The timeline for communicating our Phase IV plan is below.

Please note that an online Community Meeting has been scheduled for next Tuesday, October 13, 2020 at 4:00 pm via Microsoft Teams. This link for the meeting is loaded on the Roswell High School website or you can click the link below:

## **Reminder - National Honor Society Applications**

Due to the nature of this school year, National Honor Society will be unable to follow the traditional method for National Honor Society membership selection.

Therefore, we will be doing our best to model our current students' virtual experiences and utilize MS Teams for information and application processes.

An NHS member is a Junior or Senior with a minimum 92 GPA average, multiple leadership and service experiences, and no serious disciplinary infractions.

National Honor Society supports and participates in multiple school and community-based events and projects throughout the year to support the required 20 hours of service to maintain an active membership status.

If this sounds like your student or someone you know, please join the National Honor Society Team for application information.

Our join code is ecinf80. We will have informational meetings during both study halls and at the beginning of office hours on Monday, October 5th.

After joining the NHS Team, additional information about the application can be found in the "class notebook" section in general\*\*.

\*\* After applications have been processed and new members selected, Teams will be updated to only include active members.

## **Eagle Scout**

Our students do amazing things both in and out of school. While it is impossible to recognize everything our students do in activities outside of school, I do recognize Eagle Scouts and Gold Awards. Earning the highest recognitions in Boys and Girls Scouting is an incredible accomplishment. Congratulations to Roswell Senior Vinay Hegde who earned his Eagle Scout. Great Job!

### **Hornets at City Hall**

Thank you to local photographer Steve Harrison as he entered photos pf RHS students into the annual competition to have pictures from around the city exhibited at the Roswell City Hall. This year, two photos were selected so keep an eye out if you have business with the City of Roswell. The picture of RHS Softball graduate Savannah Nolan is outside the City Council Chambers and the image from *Pippen* is also in the building. Thanks Mr. Harrison!
