

News & Information

March 11, 2021

Greetings Hornets,

Thank you for reading an email that normally goes out on Monday or Tuesday! However, there is a lot going on and news to share.

Remote Learning Days

As [you may have seen](#), the District has announced that March 25 and March 26, 2021, and the week of April 12, 2021 (the week after Spring Break) will be Remote Learning Days where students and teachers will not report to the school building. All extracurricular and after school games, practices, concerts, and events will proceed as scheduled.

During these Remote Learning Days, Roswell High School will hold synchronous classes using our [URL/Remote Learning Bell Schedule](#). Students will be expected to log onto their classes virtually during the assigned times.

More information will be shared next week.

Saturday Morning Sessions to Clear Incompletes

Roswell High School is preparing to host two Saturday Morning sessions from 9:00 am until Noon on March 20, 2021 and March 27, 2021. Food and Sweep Buses will be provided. Students may attend one or both sessions, if needed.

These sessions will be held in person at the school. Students will be socially distanced, temperature checked, and must wear a mask for the entire time they are at school.

Due to contact tracing and student safety, students *must* sign up to attend. Please click [HERE](#) to sign up.

Contact Roswell teacher Amanda Katz (katza1@fultonschools.org) with any questions.

Elective Class Selection for 2021-2022

The deadline to complete the Elective Registration Form is this Friday!

For 9th - 11th grade students, this is the time to choose your electives for next year.

Use the Microsoft Form in your student email or visit [HERE](#) to choose electives, drop and add classes, and register for online classes for next year.

A few things to remember about choosing electives:

- Per Board policy, students may request schedule changes during the first ten days of the school year. However, due to budget and scheduling constraints schedule changes may not be possible so please choose classes carefully.
- Students who are off track to graduate may be removed from electives and placed in courses needed to graduate.
- Please consider elective classes carefully. Think about what subjects you enjoy, your plans for after high school, and the amount of time you dedicate to things outside of school.
- Per District rules, students are only allowed a maximum of three online classes.

If you have any questions, please reach out to the [appropriate counselor](#) or Assistant Principal Josh Martin.

A reminder that students do not have school on Friday, March 12, 2021 or Monday, March 15, 2021 as staff members will participate in Professional Development.

Enjoy the long weekend!

Go Hornets
