

News & Information

March 24, 2021

Greetings Hornets,

Please read below for some updated information as we head into two days of Remote Learning.

Remote Learning

A reminder that High School students will be engaged in Remote Learning on Thursday, March 26, 2021 and Friday, March 26, 2021 so staff can participate in the vaccination efforts provided by the District.

These days are **synchronous learning days** which means that students and staff are expected to log into their classes in accordance with the [Remote Learning Bell Schedule](#).

Please also note that while the original plans were for students to participate in school remotely during the week of April 12th through the 16th, that has now been changed so the 15th and 16th of April are now normal school days.

Saturday Sessions to Clear Incompletes

Roswell High School is hosting our second Saturday Morning session from 9:00 am until Noon on March 27, 2021. The Sweep Bus Drop Off and Pick Up Schedules for Saturday are below:

- [Sweep Bus A](#)
- [Sweep Bus B](#)

Staffed by Roswell High School teachers in a "Face-to-Face" environment, these sessions may be used to clear Incompletes from second semester of last school year and/or this semester.

These sessions will be held in person at the school. Students will be socially distanced, temperature checked, and must wear a mask for the entire time they are at school.

Due to contact tracing and student safety, students *must* sign up to attend. Please click [HERE](#) to sign up.

Contact Roswell teacher Amanda Katz (katza1@fultonschools.org) with any questions.

The expectation is that students come to these sessions knowing the assignments they need to complete. Students are strongly encouraged to contact their teachers for the classes for which they have *Incompletes*.
