Open House Information

We are very excited to present to our students and parents our 2020-2021 Roswell High School Virtual Open House.

While the entire presentation will be virtual, we have planned to make it informative and simple.

First, Dr. Shaw has prepared a "Welcome" video which you can view by clicking [HERE](#).

Secondly, please follow the schedule that is posted below.

OpenHouse

Third, when it is time to visit that teacher's class, simply click [HERE](#) to view the link next to the teacher's name to join that class. When that period has concluded, exit the meeting and click the link adjacent to the next period teacher's name.

Please note that some of our staff is not available tonight due to coaching obligations, graduate classes, or other conflicts. We have asked those teachers to contact their students and let them know they would not be online for Open House.

As always, thank you for your support and please let me know if you need any additional information.

Phase III Back to School Plan/Town Hall Meeting

Monday, September 21, 2020 is a big day as we begin "Phase III" of continuing to welcome our students back to school. Over the last week, our *Back to School Committee*, which is made up of school and parent leaders, has been working with the District to develop our plan. There is a lot of information so I would encourage you to read the plan by clicking [HERE](#).

Dr. Shaw is hosting a virtual Town Hall meeting tomorrow (9/18) at 5:00 pm to go through the plan for Phase III. If you have any questions, please email them to me before the meeting and I will answer them (shawr@fultonschools.org). For more information and the link for the meeting, please visit our website at www.roswellhornets.org.

Return to School Survey

As we prepare for Phase III of school reopening, a reminder that participation in face-to-face instruction remains optional. If you wish

for your student(s) to remain in Virtual Learning for the semester, you are being asked to provide your choice so we can plan accordingly. Please see below for a link to a survey where you can enter your choice for your student. You may come back to face-to-face or remain in Universal Remote Learning (URL) through the end of this semester on December 18.

Check list to complete the survey:

- Please have your student's ID number (this is the same as their lunch number)
- You will have a choice for in-person or remote learning for each phase
- If you have multiple students, you will need to enter your choice for each child separately

Thanks and have a wonderful day.
