### News & Information

### September 29, 2020

---

#### *Greetings Hornets,*

We are about to put September of 2020 into the rearview mirror and are looking towards October. Again, thank you for your support as we continue to work through the various phases of re-opening school while providing the very best opportunities we can to our students in academics, athletics, and the fine arts.

#### **Surveys**

Thank you to all of you who have completed the various surveys regarding selecting whether you want your student to remain in Universal Remote Learning or participate in Face-To-Face instruction.

The “default” assumption for the survey is that a student will come to school Face-To-Face. If this is your choice, there is no need to complete the survey.

Before the deadlines (the deadline for Phase IV was yesterday), you can change your mind as many times as you wish. In fact, completing a new survey overrides the results recorded by the previous survey. However, once the deadline passes, we will allow for only one change to try and manage and have an account for students who are in the building.

If a student has elected for Face-To-Face instruction and does not come to school, we have no choice but to mark that student “absent,” even if the student participates in school via Microsoft TEAMS while he or she is absent. Please understand that we must have an accurate account of students who are in the building in case there is a need for contact tracing. Please also remember that student attendance is a legal educational record and it is important that it is accurate.

Please note that there are no exam exemptions for the first semester of the 2020-2021 school year.

Please see below for a link to a survey where you can enter your choice for your student.

[https://fultonschools.az1.qualtrics.com/jfe/form/SV\\_9tN1i9yUujA57rn](https://fultonschools.az1.qualtrics.com/jfe/form/SV_9tN1i9yUujA57rn)

Check list to complete the survey:

- Please have your student's ID number (this is the same as their lunch number)
- You will have a choice for in-person or remote learning for each phase
- If you have multiple students, you will need to enter your choice for each child separately.

Students who elect to remain in URL for the semester will still be able to participate in RHS clubs and sports.

Once the survey has been completed, please review the Parent Portal section of Infinite Campus. You can do this by looking under the "More" tab and, under "Learning Group Assignment," it should reflect the choice you indicated in the survey. This is not an instant change and could take as long as 24 business hours for your choice to be accurately reflected in the Parent Portal.

## Phase IV

Phase IV will closely resemble Phase III except for the following similarities and differences:

### *Differences from Phase III to Phase IV*

- Student groups, sorted by last name, will attend on more days of the week.

#### Group 1

- A through E

#### Group 2

- F through K

#### Group 3

- L through P

#### Group 4

- Q through Z
- Academic Clubs can begin meeting in person after October 4, 2020. Students may attend clubs on any day, not only their assigned school attendance day.
- Sweep buses will begin running at 5:00 p.m. on a Monday through Thursday schedule.
- Special Education Low Incidence students will attend school all five days of the week.

### *Continued Practices from Phase III to Phase IV*

- Parents will have the choice as to whether their student attends in person (Face-To-Face) or continued URL throughout the remainder of the semester.

Wednesday will continue to be Asynchronous Learning Days, except for Low Incidence Special Need Students

- RHS will continue to conduct random student and staff temperature checks.
- Students will continue to be grouped by last name for Phase IV attendance.
- Roswell High School will maintain the URL Bell Schedule

**Please click [HERE](#) to read the Roswell High School Phase IV plan in its entirety.**

We will continue to follow our URL Bell Schedule during Phase IV.

---

### **Face-To-Face**

Under current plans, Face-To-Face Instruction will begin on October 14, 2020. We expect between 1,200 -1,500 students in the building so the plan will look different than what we have done in Phase III and Phase IV. We will shortly reconvene our Back To School Committee with the hope that the plan for Face-To-Face learning at Roswell High School can be shared with the community on Saturday, October 10, 2020.

Please stay tuned for more information.

---

### **How is Phase III going?**

· In alignment with our URL plans, we continue to ask our community for feedback as to how we are doing at Roswell High School.

### **Student Password Change**

Fulton County Schools prides itself as a district “Where Students Comes First”, we have embraced Digital Citizenship as an important part of educating today’s students. A major requirement for Digital Citizenship is keeping students’ information safe. To reduce unauthorized access to student accounts, all students are advised to change their password.

Starting 9/25, all students are advised to change their password using the FCS IT Support app which appears on their Desktop

This requires student to restart the device. Instructions will be provided to teachers and staff.

Starting 9/29, when students (4-12) return to F2F learning and they have not changed their password, they will receive a “popup” to prompt them to change their passwords. Students can cancel pop up, but the pop up will continue daily (when students are on an FCS network only) until they change their password.

o Exceptional Education students will be exempt from this change.

Students Password requirements are:

o At least 8 characters long and contain 3 of the following:

§ At least 1 uppercase letter (A, B, C)

§ At least 1 lowercase letter (a, b, c)

§ At least 1 number (1, 2, 3)

§ At least 1 special character (#, %, etc)

§ Cannot be the same as a previously used password

§ Cannot contain the username

If remote students need assistance, they are directed to contact the FCS Remote Learning Hotline (470-254-2300). Students who are coming to the building for face to face instruction can get help from a member of the school device team.

### **Bus Information**

A reminder to please use Webquery, a tool available to students and parents, to assist them in locating their bus stop and bus stop time. Important that ES do this.

- Phase III – begins Sep 21 for one full day of in-person instruction per week
- Phase IV – begins Oct 5 for two full days of in-person instruction per week
- Face to Face – begins Oct 14 for full-time in-person instruction

Please visit the FCS [Transportation webpage](#) often for updated [Bus Stop Information](#) pick-up and drop-off times.

### **Cross-Country**

Early Saturday morning, the Varsity and JV Cross-Country teams traveled to Fairburn to participate in the Fulton County Championships. The teams did great as the Varsity Boys and Girls finished in First Place beating teams such as North Atlanta, Woodward Academy, Alpharetta, and Milton. The Junior Varsity Boys and Girls also won! Great job!! Top ten finishers are below and the full results can be found [HERE](#).
