## Roswell High School News

### News & Updates

### September 4, 2020

---

Greetings Roswell High School Community,

#### **Phase I-Return to School**

Next Tuesday marks the beginning of [Phase I](#) of the protocol to return students to school. Our Special Ed teachers and staff have been diligently planning for the return of approximately 30 students. We look forward to reconnecting with these Hornets in person starting next week!

The schedule has been shared with all impacted families. Questions should be directed to Lauren Mobley at [mobley11@fultonschools.org](mailto:mobley11@fultonschools.org). I really want to give a heartfelt "thank you" to the teachers, faculty, staff, and members of the "Back to School Committee" who have worked to make sure our kids are welcomed back to school in a safe and productive environment. Thanks!

---

## **1:1 Meetings**

The beginning of Phase I also allows for teachers and staff to host one-on-one meetings with students and parents as needed. These meetings will take place during the "Office Hours" section of our URL schedule between 2:00 pm and 3:30 pm.

Please keep in mind that virtual meetings are still our preferred method of communication in an effort to be as safe as possible. In other words, teachers will only request a one-to-one meeting if the issue, question, or matter can't be addressed in a TEAMS meeting or through a phone conference.

If an RHS faculty member determines that an in-person meeting is absolutely necessary, the faculty member will schedule the meeting through the front office. All safety protocols for visitors on our campus will apply to students and parents/guardians attending in-person meetings including temperature checks, masks, and the district's screening tool.

---

## **Open House - Rescheduled**

Open House (also known as Curriculum Night) was originally scheduled for September 10, 2020. We are going to reschedule for the evening of *September 17, 2020*. The entire event will be conducted virtually. More information will be sent out after the Labor Day weekend and I apologize for any inconvenience.

---

## **Athletics**

After the long weekend, Hornet fall sports will begin their competitions. There are many new rules in place for the safety of our athletics, coaches and fans, and attendance will be limited, but we are excited to see Volleyball, Softball, Cross-Country, Cheerleading and Football in action! Please visit the [Roswell High School Athletic website](#) for more information.

Have a great Labor Day Weekend and thank you for your support of our school.
