

Roswell High School Announcements

November 1, 2022

Last weekend our robotics team went to their off season competition. The team was first pick of the 7th alliance captain, and together, their alliance made it all the way to quarterfinals. At the end, the team won the spirit award! The robotics team is still looking for more members as they enter their competition season. OSCAR Robotics meets every Monday and Wednesday afterschool in the engineering lab with Mr. AlMimar

Congratulations to the RHS Swim Team on a great first meet at the Cobb Relays this past Saturday. A special shout out to our girls 200 Medley Relay team of Dylan Sanning, Emily Elko, Reese Neal, and Addison West in qualifying to swim at state. Come out to our next meet this Thursday at 5:30 at Woodward. GO HORNETS!

Interested in joining Friends Club? There will be an informational meeting tomorrow morning at 7:45 in the auditorium. Hope to see you there!

Applerouth will be hosting free practice tests for the SAT and ACT on November 12 + 13. Students can take an official, full-length proctored SAT or ACT - for free. Students also receive access to an exclusive online Strategy Session led by a top tutor. Afterwards students will receive a detailed score report that highlights their strengths and areas for growth. To sign up, please visit <https://www.applerouth.com/testprepkickoff/>

ATTENTION SENIORS! Starting November 7-November 13 we will have Senior Priority Parking Sign Ups for Spring Semester parking. Please check the RHS website, posters in the hallways and our social media sites for more information.
