Attention: On September 11, 2001, 343 firefighters never made it to the 110th floor of the World Trade Center tower in Lower Manhattan, New York. How would you like to climb the 2,200 steps (equivalent of the 110 stories) for those 343 firefighters that never made the climb and perished on September 11, 2001? Students, Teachers, and Staff: This is an actual Stair Climb opportunity in downtown Atlanta on Saturday, September 10th, 2022. Please look for the colorful flyers in the hallway and scan the QR code to register. You can also find a flyer on classroom door number 606. Climb, because they couldn't. Respect. Reflect. With Every Step.
