Roswell High School News News & Information

August 24, 2020

Greetings Hornets,

I sincerely want to thank all our faculty, staff, students, parents, and community members for a great start to the 20-21 School Year in a Universal Remote Learning (URL) Environment.

The issues we had were mostly centered around technology and making sure the latest information was uploaded and available to both students and teachers.

Unfortunately, there is not a lot we can do at the local school to help with hardware or software issues. We are glad to report that, starting today, Roswell High School will be a "Hub" for the area if there are hardware or software issues. In order to come to the Hub, you have to first schedule an appointment through the FCS Help Desk which you can do by calling 470-254-2300.

Please also be mindful of the following:

- The Student Code of Conduct is in effect during URL learning. Unfortunately, we have had some students use profanity during an online course or have decided to act inappropriately. If there are discipline incidents during online learning, the administrator will contact the parent and students to ensure that due process is provided. If it is found that the student violated the Code of Conduct, the discipline will be entered into the student's record and the consequence, if there is one, will be served when the student returns to school.
- District policy and State law regarding attendance still applies. There are three requirements for a student to be counted as a "participant" in the URL class, but attendance is expected. Teachers are taking attendance and RHS personnel are reaching out to students who have been absent.
- Please remember that parents should not engage with the teacher during class time.

Thanks for your help!

School Governance Council

The next meeting of the Roswell School Governance Council is scheduled virtually for August 26, 2020 at 4:00 pm. Please click [HERE](#) for the agenda, which includes the link to the meeting and the information about Public Comment.

Accessing Student GTID Number

We have received questions about how a parent can access their student's GTID number from the Parent Portal. If you need the GTID number, please do the following:

- Step 1: Access Campus Parent Portal
 - Step 2: Select *More* and then select GTID
-

congrats

AVID Certification

As a result of a lot of work by a lot of people, Roswell High School has officially become an AVID certified school. An important part of what we offer our students, AVID is a program for eligible students that “[equips teachers and schools with what they need to help these students succeed on a path to college and career success.](#)” Congratulations to teacher Regan Pierce and all our AVID teachers and site team members for their hard work.

Textbook Collections/Device Updating

On Thursday, we had to shut down the Textbook distribution because of the threat of bad weather. We truly apologize. We will continue to hold textbook distribution and device updating on Tuesday and Thursday of this week from 2:00 - 4:00 in the Senior (Stadium) lot.

We also found out that some of the Surface devices *do not have the correct software for the cameras to work*. If you received a new device from Roswell High School between August 10, 2020 through August 20, 2020 and are having a camera-related issue, [please fill out this form](#) and we will email you when you can come to the school and switch out your device. Please be aware, this form is NOT for other device-related issues.

Back to School Information

Starting this year, Roswell High School will no longer send the big mailing with all the school information. Instead, everything you need is loaded on the [Back to School](#) tab on the Roswell website. Please be sure to review the [Student Handbook](#) and the [20-21 Student Code of Conduct](#).

The District also has a Back to School website with even more information. You can access that by clicking [HERE](#).

Schedule Changes

The deadline for submitting a schedule change request is this Friday, August 28, 2020. Please submit schedule change requests through the form linked [HERE](#) and on the District website. **Counselors are only working on schedule change requests submitted through the online form.**

A few other items about requesting a change to a student's schedule:

- After the first 10 days of school, academic level changes are granted only at the semester mark
- Yearlong electives are a yearlong commitment and cannot be dropped at the semester mark

SSS Lessons

Today is the first day that Roswell High School will be presenting SSS lessons. These lessons are designed to support the social and emotional health for all of our students.

Announcements

Even in our current environment, Roswell High School continues to collect and send daily announcements. You can read those by clicking the [Announcement](#) page on our school website.

Please join PTSA! Click [HERE](#) for more information.

Again, thank you to everybody for your help and support. Have a great week.

Go Hornets!!
