Roswell High School News

News & Information

August 31, 2020

Greetings to the Roswell High School Community,

As always, all of us at Roswell High School hope this weekly message finds you safe and healthy.

In keeping with our URL plan, please use the links below to access surveys to allow parents and students to opportunity to provide the school's leadership feedback about Universal Remote Learning at Roswell High School.

- The **Parent Survey** is [HERE](#).
- The **Student Survey** is [HERE](#). (Students must use their FCS email to access the

survey).

Both surveys close on Tuesday, September 8, 2020.

The results will be not be made public, but will be shared with school and District leadership (minus any identifying information) to improve all aspects of Universal Remote Learning (URL).

Social Media Concerns

Many parents and students have recently shared with me "anonymous" accounts set up on social media that encourage Roswell students to post about other students. This has occurred at other high schools in our area and, unfortunately, many of these posts have been profane, vulgar, disrespectful, slanderous, and sexually graphic.

I would encourage Roswell students, parents, or stakeholders who view any of these posts to report them to the social media platform. Quite often, these posts and accounts violate the terms of use agreements and are removed.

Anytime this information is brought to our attention, we involve our Fulton Schools police department to determine if these posts violate any criminal laws. Students should know that nothing on the Internet is truly anonymous. Students and their families should also be aware that defaming people online could possibly expose them to civil liability.

RHS students are reminded that, even though we are in a URL environment, the Fulton County Schools Student Code of Conduct is in effect. Please review the Code carefully as there are circumstances where the school has jurisdiction over social media posts, even if the posts are not made during school hours.

Please continue to have conversations with your students about the responsible use of social media. Some students truly believe that their online comments and posts do not have negative consequences for themselves or others. Quite often, that is not the case.

I would hope that our students would use the power of social media to uplift and support each other instead of causing embarrassment, hurt, and emotional pain.

Honestly, the Golden Rule is always the best rule, "treat others as you would like to be treated."

Your help and support is appreciated.

Returning to Face-To-Face Instruction

As you may be aware, the District has outlined a plan for students to return to school using a "phased" approach, which is [dependent upon the COVID numbers](#) provided by the Fulton County Department of Health. Please note in the presentation linked above that the

target date for Phase I of returning students to school is *September 8, 2020*.

Students who return to the school building during Phase I for RHS are our low incidence special education students who may attend one day per week for 180 minutes and will be scheduled to attend during the first session of the day to minimize impact on special education services. Please also note that face coverings will be required of students and staff (For students who may not be able to wear a mask, our Special Education leaders will work with them to develop other solutions).

All other RHS students will continue to work online in the URL environment during Phase I.

The Roswell High School Back-To-School Committee is at work planning what the implementation of Phase I will look like for our school. Much more information to be shared very soon.

Announcements

Roswell High School continues to create and share daily school announcements. Announcements are posted on the school website and contain information about all kinds of school events. Please click [HERE](#), bookmark the site, and check it often.

Textbook Distribution

This week will be the last week that we will hold textbook distribution on Tuesdays and Thursdays from 2:00 p.m. until 4:00 p.m. in the Senior lot. After this week, if a student needs a book or other instructional resource, please ask that teacher to coordinate that with Assistant Principal Celeste Moore who will develop a plan to get that resource to the student in a safe manner.

Device Help and Update

For almost all technology issues, there is not a lot that we can do to assist at school. Please contact the Fulton Schools Technology Help Desk and they can either walk you through a solution or schedule an appointment to have the device serviced or replaced at a District Technology Hub. The good news is that, as of last week, Roswell High is now a technology hub so the hope is that it will be a little more convenient.

IT Service Desk 470-254-4357 or itservicedesk@fultonschools.org

PTSA Reflections Contest

It is time again for the PTSA Reflections Contest! Please click [HERE](#) for the information.

Please do not forget to join PTSA. Click [HERE](#) for more information.

District News

The District is now posting COVID cases by school on the District website. You can see the information and get much more clarifying information by clicking [HERE](#).

Please click [HERE](#) for the latest pdf version of the District School Calendar. Please notice that the Late Start Mondays have been removed for this school year.

Roswell High School Athletics

Varsity fall sports are scheduled to begin their seasons on or around September 14, 2020. While we are excited to get our students who play football, volleyball, softball and cross-country competing, there will be different rules in place to protect students, coaches and fans. More information will be announced and shared very soon. Please contact the appropriate coach or visit <https://roswellathletics.org/> for more information.

schedule

As always, thank you so much for your support during these very unusual times. All of us at Roswell High School remain committed to providing the very best instruction possible.

Please let us know if you have any questions and enjoy the three day weekend!

Go Hornets!
