As part of Suicide Prevention Awareness week, keep an eye out in the hallways for posters and bulletin boards that get our wheels turning about mental health. Take some time to reflect on your own mental health as well as how your friends are doing. Student Services is a great place to find support from your school counselor or our school social worker if you are concerned and need some help. You R loved Roswell!

As part of Suicide Prevention Awareness week, did you know that we have a full time school social worker here at RHS? Mrs. Rogers is here to help connect students to resources like therapists that can help if you are struggling with your mental health. There are MANY Trusted Adults in this building that care about you and will help to make sure you feel support when you need it most. Whether its a teacher, school counselor or administrator, we are here for you and we care. You R Loved Roswell!

As part of Suicide Prevention Awareness week let's think about ways that we can support each other with our mental health. Today during all lunches, we will have PTSA volunteers and plenty of sidewalk chalk for students to get some Vitamin D and write uplifting messages in the bus lane and the Stadium parking lot. Think about creative ways that you can do to brighten someone's day today. You R loved Roswell!

As we end Suicide Prevention Awareness week we hope you have felt the love this week. You are one of the most important factors in supporting those around you. Remember the acronym A-C-T: Acknowledge, Care and Tell a Trusted Adult if you have concerns about yourself or someone else having thoughts of harm. We hope you enjoyed a Hug or a high five as you came into school this morning because we sincerely want you to know that you are important, we care about you and you R loved Roswell!
