FREQUENTLY ASKED QUESTIONS:

Full-Time Fulton Virtual Learning: High School

How will my child receive support services through Full-Time Fulton Virtual Learning? i.e. IEP and 504 accommodations, Social Work, School Counseling etc.

If a family of a student with a disability chooses to voluntarily enroll in this learning model, the student's IEP Team will convene to address any changes to the student's IEP plan to address the programming and services in this alternative format. The District cannot make all classes, programs, services, and supports available in a remote environment for any student, and a parent's choice to opt out of face-to-face instruction and into Full-Time Fulton Virtual Learning may result in decreased or different special education supports and services. Counseling and Social Work support will be provided to students by school's support staff or by other support staff in the District as needed. Section 504 accommodations that can be implemented in a virtual learning environment will be provided; however, the school's 504 team may need to convene in order to review 504 accommodation plans for students choosing Full-Time Fulton Virtual options. English Learners (EL) will receive language supports via English language building software and other supports that can be delivered effectively in a virtual learning environment.

Will students have access to TAG, AP, Honors, Early Intervention Program, or Remedial classes?

The Full-Time Fulton Virtual Learning option cannot provide TAG resource classes, Honors classes, Remedial classes, or Remedial classes. Limited AP courses through Georgia Virtual School can be provided at the high school.

How will the courses appear on my student's transcript?

Courses are coded with a different course number on student transcripts.

Will students who enroll in Full-Time Fulton Virtual Learning still be able to participate in extra-curriculars at their home school?

No. Students enrolled in Full-Time Fulton Virtual Learning will not be able to participate in any extra-curricular activities or athletics at their home school. There will be virtual club offerings.

Will there be materials, devices, or WiFi available for students and families who have a need?

Fulton County Schools will provide devices on a 1 to 1 basis for students in grades 9-12 who are enrolled in Full-Time Fulton Virtual Learning. Limited WiFi hotspots will be available to students who need access to internet capabilities. Other resources such as printed texts, manipulatives, and learning resources will be distributed based on student need.

Will students who are enrolled in Full-Time Fulton Virtual Learning still be able to access meal service?

Yes, meals can be provided. Your locally zoned home school will coordinate pick up.
