Demographics

FCS has created an **Individual Remote Learning/Full-Time Virtual** option for students in grades 1-12 with underlying conditions or family circumstances, that due to COVID-19, should not return to a school for face-to-face instruction. Students who enroll in Individual Remote Learning/Full-Time Virtual will be enrolled in a virtual school and receive full-time remote learning options that include virtual instruction from a teacher and one-on-one touch-points (conducted virtually).

To register for this option, answer the Individual Remote Learning/Full-Time Virtual question below.

Enter the student's name exactly as it appears on the Verification of Date of Birth documentation. If your student has two last names, please enter both in the box marked "Last Name".

Note for Pre-K Applications: Completing this application does not guarantee enrollment into the Pre-K program. There are a limited number of locations/spots, please contact your local school for more information.

Note for the PreSchool Special Education Request for Assistance process: This option should only be used when parents/guardians are concerned their student may be exhibiting signs of a developmental delay or disability. To submit the additional information needed for the PreSchool Request for Assistance process, select **PS** from the **Enrollment Grade** field.

For all students, after form is submitted online, parents must visit the attending school with documentation to complete the registration process.

Individual Remote Learning Application

Individual Remote Learning/Full-Time Virtual Registration

Fulton County Schools has created an Individual Remote Learning option for students who have an underlying health condition, a social or emotional condition, or have a special or extenuating family circumstance that prevents them from safely returning to a face-to-face school environment due to COVID-19. Individual Remote Learning is a full-time online, semester long option (August - December) provided by Fulton County Schools for students in grades 1- 12 with underlying conditions or family circumstances, that due to COVID-19, should not return to a school for face-to-face instruction. Students who enroll in Individual Remote Learning will be enrolled in a virtual school and receive full-time remote learning options that include virtual instruction from a teacher and one-on-one touch-points (conducted virtually).
