Attention all Juniors and Seniors, please check your fcstu e-mail for information about second semester parking and completing the paperwork for the Off-Campus Privilege for second semester. The deadline for declaring whether you want to park on campus for the first nine weeks of second semester is this Wednesday, December 9th, so please check your e-mail today and complete that parking intent form. Parents, the information was also e-mailed home to all parents of juniors and seniors. Please work with your students to complete this process.

For Anchor Time, all eligible juniors and seniors who plan to attend face to face classes at AHS during the Spring semester, need to complete and return the Off-Campus permission form. It must be submitted via Microsoft Forms for review/approval no later than Friday, December 18, 2020. Parents, please review the criteria and expectations with your junior/senior, print and sign the Off-Campus Privilege form and then upload that document with your signature by December 18th.

That's all for today, Raiders! Stay Safe!
