ATTENDANCE

The Fulton County Board of Education considers regular school attendance essential to successful school progress. Students must be present to take full advantage of available educational opportunities.

The Board supports vigorous enforcement of Georgia's Compulsory School Attendance Law which makes school attendance the responsibility of the parent and the student. Board Policy JBD, Attendance and Absences, outlines consequences for failure to comply with this law. The district also maintains a Student Attendance Protocol pursuant to O.C.G.A. 20-2-690.2 which contains detailed information regarding truancy procedures and referrals. A copy of this Protocol can be found on the district website.

A student must be present until 11:10 a.m. to be counted present.

A student's absence from school or class will be considered excused when it is due to any of the following circumstances and accompanied by a parent email or note following the absence.

- Personal illness of the student.
- Attendance at school would be detrimental to the health of the student or others.
- A serious illness or death in the student's immediate family necessitating absence from school.
- Compliance with a court order or an order issued by a governmental agency, including an order for a pre-induction physical examination for service in the armed forces.
- Observance of religious holidays.
- Conditions rendering attendance impossible or hazardous to the student's health or safety.
- School days missed as a result of an out-of-school suspension.

Email excuses may be sent to attendanceMOE@fultonschools.org. If an email or note is not received within five days, the absence is recorded as unexcused.

Five or more unexcused absences will result in a letter of Notification of Excessive Absences from the school. Five unexcused absences are a violation of the School Compulsory Attendance law and subject to the following: fine, imprisonment, community service. At 10 unexcused absences the School Social Worker has the authority to file a truancy petition called educational neglect with the Fulton County Juvenile Court.

ARRIVAL/DISMISSAL

Please do not enter the school until 7:10 a.m. unless you have an appointment. The school day for students begins at 7:40 a.m. Students, with or without their parents, are not permitted to enter the school building prior to 7:10 a.m., when the school bell rings. If you are carpooling, students are to remain in cars with their parents until the bell rings at 7:10 a.m. Parents of walkers or car riders are not permitted to drop off their children unsupervised,
outside or inside the school, any time prior to the bell ringing. If this occurs, our social worker will be contacted. **If your child arrives after 7:40 a.m., a parent/adult must accompany the student to the front office and sign them in.** Please understand that these procedures are in place for the safety of all students.

The school day ends at 2:20 p.m. Please **avoid** early checkouts as teachers use the last class minutes for educational purposes. If your child **must** be checked out early, please do so before 2:00 p.m. **Due to the safety of all student dismissals, we are unable to accommodate student check-outs or dismissal changes after 2:00 p.m.**

**TARDINESS**
Students are considered tardy if they arrive in the building after 7:40 a.m. In order to start the day smoothly and minimize interruptions caused by late arriving students, please see that your child is on time. Late arriving students must be checked in by a parent. Cars must be parked in the parking lot, and students and parents must stop by the office, sign in, and get a pass to bring to class. Students riding Fulton County Board of Education buses will not be considered tardy if the bus arrives late. Excessive tardiness of ten or more will result in a letter of **Notification of Excessive Tardiness** from the school and will result in a referral to the school social worker.

**PRE-APPROVED ABSENCES**
Board policy JBD allows for the principal or designee to pre-approve absences not exceeding a cumulative total of six days per school year for the following reasons;

- Scholarship interviews/college visitations
- Travel opportunity with educational benefit
- Graduation or wedding of an immediate family member
- Specialized, supplemental or extracurricular experience
- Other circumstances that are mutually agreeable to the parent and principal

The following form must be submitted 72 hours prior to the planned absence: [http://school.fultonschools.org/es/manningoaks/Documents/Approval%20Request%20for%20Absences.pdf](http://school.fultonschools.org/es/manningoaks/Documents/Approval%20Request%20for%20Absences.pdf)

**EXTENDED ABSENCES**
Teachers are **not** expected to prepare make-up work in advance of extended absences. Upon returning from an extended absence, it is the parent’s responsibility to request make-up work. Teachers will determine assignments that need to be made up and will provide make-up work for students. Students will have one day for each day absent to make up work. Elementary students will receive the actual grade earned on any make-up work submitted on time, regardless of whether the absence is “excused” or “unexcused.” Please notify your child’s teacher in advance of anticipated extended absences.
MAKE-UP WORK FOR DAILY ABSENCES
If a student is absent due to illness, you may request make-up work beginning on the second day of absence at the school office before 9:00 a.m. each morning. Material may be sent home with another student or picked up between 2:20 p.m. and 3:30 p.m.

EARLY DISMISSAL
If it is necessary for a student to leave school early, please send a note to the student’s teacher. Early dismissal must take place by 2:00 p.m. Any student leaving before the regular dismissal time must be signed out through the office by the custodial parent. Do not go directly to your child’s room—teachers are instructed not to dismiss students to adults at their door. Be prepared to show your driver's license when checking out students.

WITHDRAWAL PROCEDURE
Please notify your child's teacher, as well as the data clerk, at least one week prior to student’s last day of school. All textbooks and media center books must be returned, and lunch fees paid prior to withdrawal.

SAFETY

ACCIDENTS
Safety precautions are always taken at school; however, accidents will happen. Necessary first aid will be administered, and a clinic slip will be sent home to inform you of clinic visits made as a result of an injury. Minor scrapes may be treated with first aid in the classroom; however, you will be contacted by clinic aides in critical situations. Please reinforce with your child that any accident not witnessed by an adult should immediately be reported to a teacher or the office.

CLINIC
Manning Oaks Elementary is concerned about the health and well-being of each child. Please keep us informed about allergies, diseases, your child’s medicine or other medical conditions affecting your child. Our clinic, staffed with a clinic aide, is not equipped for a serious injury or illness. When a student requires more than first aid, parents are contacted using the numbers on file at the office. **It is essential that contact numbers be kept up to date.** Notify the school office immediately of any change in address, telephone numbers, and emergency contacts. Notify the teacher and school office if you are out of town and your child will be under the supervision of another adult.

Medication should be given at home, however, **in the event your child needs medication during the school day, a Medication Authorization form must be completed, and medication must be brought to the clinic.**

In the case of inhalers, epi-pens or any other prescription medication, we need the doctor to sign the form as well.
CROSSING GUARD
A crossing guard will be on duty to control and direct pedestrian traffic only. Please cross the street only at the crossing guard location and as directed by the crossing guard.

DISCIPLINE
It is each student’s responsibility to display qualities of good citizenship. Appropriate conduct that follows established school guidelines and the FCBOE Code of Conduct is expected in the halls, in the cafeteria, on the playground, in the classroom, on the way to and from school and on field trips.

The Manning Oaks staff believes in a school environment in which students are able to learn and teachers are able to teach. Optimal learning takes place in an atmosphere of mutual respect, high expectations, encouragement, positive motivation and academic honesty.

Discipline is defined as a process of helping students understand what they have done that is inappropriate and learning how to correct the inappropriate behavior. Students are expected to take responsibility for their behavior and accept the consequences for behavior that does not follow the Fulton County Code of Conduct Handbook. This handbook is given to and signed by every family. Students are expected to display respectful behavior to each other at all times. Bullying, fighting, teasing, horseplay, play fighting, name-calling, etc., will not be tolerated. Student discipline is a joint responsibility of the school and home. Your support for good discipline enables schools to maintain a wholesome environment for learning.

- **Minor Offenses** – Teachers deal with minor offenses as they occur during the instructional day. They use interventions such as positive reinforcement, verbal reminders, parent conferences, time out, individual action plans, referral to school counselors, referral to SST, etc.
- **Major Offenses** – Administrators deal with major offenses and chronic minor offenses. They use interventions such as, but not limited to, administrative time out, parent conferences, in-school suspension, out-of-school suspension, referrals to school counselors, and referrals to the Disciplinary Tribunal.
- **Discipline Plan Guidelines** – A detailed copy of the Fulton County Student Code of Conduct & Discipline Handbook is provided to each student and to his/her parents at the beginning of each school year. You are required to sign for receipt of it and are asked to read and review discipline policies with your children.

**Special Note:** - Georgia law requires school officials to report incidences of weapons being brought to school to law enforcement officials. Students who bring weapons to school may be subject to arrest. To avoid any possibility of unintentional violations, do not allow your child to bring any item that resembles a weapon or may qualify as a weapon. This includes items such as steak knives, lighters, pocketknives, mock weapons, replicas, or toys. Students do not have permission to bring any such items to school for any reason, not even as part of a school assignment, show and tell, or for use as a cutting instrument for food. If you have any questions regarding weapons, please contact an administrator for further clarification.
Manning Oaks Elementary School is a Positive Behavior Interventions and Supports (PBIS) school. PBIS is supported by the Georgia Department of Education and the Fulton County School District to promote academic success, appropriate and positive behavior, and a safe and effective school climate. All students at Manning Oaks Elementary are expected to adhere to five core behavioral expectations identified on a school-wide matrix.

Manning Oaks staff believes that helping students practice good behavior enables us to build a school community where ALL students CAN succeed and grow both academically and socially; therefore, the five core expectations (Responsibility, Ownership, Attitude, Respect and Safety) are posted throughout the building, and are taught throughout the year. It is each student’s responsibility to adhere to behavioral expectations in the halls, in the cafeteria, on the playground, in the classroom, on the way to and from school and on field trips.

How can you be a partner in this effort?
We want you to be a partner in helping us make our school an even more positive place for our children to learn. To ensure that you as parents and your child/children as students are aware of the school expectations; we ask that you review the matrix in its entirety with your
child/children. Additional ways to be involved are; using the expectations in your home, reminding your child/children of expectations each day, make sure your child arrives on time to school, and inquiring about their day each afternoon.

Please feel free to contact Kristi Meyers, our guidance counselor, if you have any questions or concerns. If you would like more information on Positive Behavior Interventions and Supports, please visit the following website: http://www.pbis.org

EMERGENCY SCHOOL CLOSING
In case of an emergency, the most up-to-date information will be provided on local radio, TV stations, and the Fulton County website. We also provide information through Blackboard’s Mass Notification application. Please do not contact or come to the school as school telephones and personnel will be utilized in order to follow emergency procedures to ensure the safety of the children. Manning Oaks has developed a detailed emergency evacuation plan that is annually reviewed, updated, and practiced routinely during the year. The plan will be followed should any emergency occur during the school day.

INSURANCE
School insurance is offered to each child who is enrolled and may be purchased throughout the school year. Students attending overnight field trips must show proof of personal or school insurance prior to participation.

SECURITY
The safety of children is very important to us. All visitors must enter and exit through our front door entrance. When you approach the front entrance, you will see a small gray box on the right side that looks like a doorbell. You will press the call button and speak into a camera and intercom. One of our school staff members will respond and let you in. Please do not hold the door for anyone behind you as they should also follow this procedure. Visitors may be asked to show identification by our front desk.

UPDATING EMERGENCY INFORMATION
It is important that in an emergency we are able to contact you. Please keep the school informed of all changes regarding phone numbers, addresses, emergency information, medication the child may be taking, etc. If you are out of town, the school must be notified in writing (teacher and office) of who will be responsible for your child during the absence. In emergency situations where a parent cannot be reached, the school will contact the school social worker or school resource officer or call 911.

VISITORS
For the protection of our children, all visitors to the school must sign in at the office and wear a “VISITOR” badge at all times while in the building. No visitors are to enter the building except through the main office door. In order to avoid unnecessary interruption of instructional time,
the office staff will deliver articles and messages to the teacher. Lunch passes are for cafeteria only, and visitors should not walk or accompany students back to class. As a courtesy to the teacher, appointments should be made at least 24 hours in advance. If it is not possible to contact the teacher before or after school hours, please contact the office by telephone to deliver a message for you.

TRANSPORTATION

BUS INFORMATION
Safe school transportation is considered an important part of the total educational program. Riding the school bus is a privilege contingent upon proper, courteous conduct.

BUS CONDUCT
- Students are subject to disciplinary procedures when bus safety rules are violated. These may include assigned seats and/or suspension from riding the bus. The following rules must be followed:
  - Students are to behave appropriately on the bus, as well as at the bus stop, and must follow directions of the bus driver.
  - Students are expected to display respectful behavior to each other and the driver, at all times. Bullying, fighting, horseplay, play-fighting, name-calling, etc. will not be tolerated.
  - Students must sit in their assigned sections on the bus. Bus drivers will seat students as they arrive, the front being reserved for kindergarten students.
  - Students may not eat or drink on the bus.
  - Students are to remain in their seats while the bus is in motion, facing forward at all times. Hands and feet are to be kept out of the aisle.
  - All body parts must remain inside the bus windows at all times.
  - Live animals or insects are not permitted on the bus.
  - Glass objects, radios, electronic equipment (cell phones, etc.) are not permitted to be used on the bus.
  - Students should talk quietly while buses are in route.

Additional information is provided in the Fulton County pamphlet, “School Bus Safety Rides with You”. Please read this pamphlet and discuss bus behavior expectations with your child.

Call the North Transportation Department (470-254-2970) with questions or concerns regarding bus routes, times, and bus supervision.

BUS CHANGES
- Students must get on and off the bus at their assigned bus stop only. Students may not ride another bus for the purpose of visiting a friend.
- If it is necessary to change buses due to a long-term childcare situation, written authorization must be granted by the Fulton County Transportation Department at 470-254-2970.
A student who ordinarily rides the bus but wishes to go home with a friend who is a car rider, must bring a written permission from his/her parent. The pickup parent must display the carpool numbers for both children. **IN EMERGENCY SITUATIONS ONLY,** the principal or the designee may grant bus changes. **The method of transportation will not be altered without a written or emailed request from a parent,** which must be approved by an administrator.

**CARPOOL**
Manning Oaks maintains a busy carpool line and local traffic can be overwhelming. This is compounded during inclement weather. Please help us keep your children safe and your commute stress-free by allowing your child to ride the bus as often as possible.

- Children are not permitted to enter or exit driver’s side doors.
- Children may not be dropped off in the parking lot – they are not permitted to cross through the parking lot without an adult.
- Cars must not park in the pickup or dismissal area along the front curb.
- Use slow speed at all times.
- Please be kind to staff members on duty; they work hard to ensure the safety of all students.

During morning carpool, cars form a single line behind the traffic cones in the parking lot. Carpool begins at 7:10 a.m. Cars travel in a single line and pull all the way up to the beginning of the walkway. If students are not inside the school building before the bell rings at 7:40 a.m., they will be marked tardy. **An adult must accompany the child in the building to sign them in when tardy.**

Afternoon carpool **begins at 2:20 and ends at 2:45 p.m.** Parents planning to pick their child up in the carpool lane must first request a number from the front office. These numbers must be displayed in the windshield. Cars form a single line in front of the school and pull all the way to the end of the walkway as directed by duty personnel before letting children in or out.

**CHANGES IN TRANSPORTATION**
Parents are to designate a single method for their child’s dismissal. To ensure student safety, please limit changes. **All transportation changes must be in writing.** Please send in a note, signed and dated by the custodial parent, for all transportation changes.

**DAY CARE RIDERS**
Students riding day care vehicles will load in the bus loading area of the school. **If a student is absent from school or will not be attending day care for any reason, it is the parent’s responsibility to notify the day care provider and the school.**
WALKERS
Walkers to school are to arrive between 7:10 a.m. and 7:40 a.m. when the crossing guard is on duty. In the afternoon, walkers will be dismissed before car riders and buses have been dismissed. Students must always use sidewalks, obey safety rules, and promptly enter or leave the school grounds. Walkers will enter the building through the main entrance.

The school and teachers are partners with you in the education of your children; therefore, it is important to share information regularly. A parent/teacher conference day is scheduled for the first semester of the school year. Please be mindful that teachers are responsible for their students from 7:10 a.m. until the last bus leaves. Therefore, they cannot conference with parents during the school day unless arrangements are made ahead of time. Additional conferences may be initiated by the parent, teacher, or administrator and held at a mutually agreeable time.

INTERNET
Internet is available to students upon the teacher’s receipt of the Manning Oaks Elementary internet use agreement signed by the student and parent. Failure to use the internet in accordance with guidelines stated in the signed agreement may lead to revocation of the privilege and/or disciplinary action.
TELEPHONE USE
Students may use the office telephone only after receiving a written note from their teacher. Phone use by students is limited to important issues that cannot be addressed before or after school. We ask you to help us by being sure your children are prepared for school and understand after-school arrangements before leaving home.

CURRICULUM

GEORGIA STANDARDS OF EXCELLENCE
Fulton County Board of Education Policy IHE states, “Each student must be accepted on the level at which he/she is functioning and should be challenged to move through the curriculum at a rate commensurate with the student’s total capabilities.”

Differentiated instruction promotes high-level and powerful curriculum for all students but varies the level of teacher support, task complexity, pacing, and avenues to learning based on student readiness, interest, and learning profile.

Students new to Fulton County are administered a series of placement assessments by the Curriculum Support Teacher (CST). These tests enable us to make the most appropriate placement in reading and math.

The CST is actively involved in working with teachers to plan instruction and learning strategies for students. If you have questions involving curriculum, please contact our CST.

FIELD TRIPS
Field trips are planned to supplement and enrich units of schoolwork. To ensure student safety, local transportation is provided by Fulton County school buses. A donation is requested to help pay for the trip. A trip may be cancelled due to lack of funds. No child will be denied permission to attend field trips due to inability to pay; however, every child must have written permission from a parent or legal guardian before he/she can go on a field trip.

GRADING

- Automatic Screening – At the beginning of the school year, TAG teachers review the previous year’s standardized test scores.
- Classroom Screening – Local schools select a 2-week period in the winter to review all students in their school. Classroom teachers use a protocol to identify students that may need to be screened.

TEXTBOOKS
Textbooks are furnished and assigned to all students. Students are expected to take care of all books and return them undamaged at the end of the year or before he/she withdraws from school. If a textbook is lost or damaged, a fee will be charged.

BIRTHDAYS
Party invitations may be sent to school if all students, all boys or all girls are invited. No student(s) can be omitted. Also, if you would like to provide a special treat on your child’s birthday, you can order a treat from the Cafeteria Manager which meets USDA requirements for Smart Snacks in School. We ask that you do not send edible treats for distribution. Teacher birthdays follow the same rules as student birthdays.

EQUAL OPPORTUNITY
It is the policy of the Fulton County School System not to discriminate on the basis of race, color,
sex, religion, national origin, age, or disability in any employment practices, educational
program, or any other program, activity, or service.

If you wish to make a complaint or to request accommodation or modification due to
discrimination in any program, activity, or service, contact Compliance Coordinator, 6201

ILLNESS/MEDICATION
If your child visits a doctor, please send a doctor’s note to your child’s teacher. If you keep your
child home, please send in a note stating the cause. Parents are allowed up to ten home-
generated sick notes, after which they are expected to send in doctor generated sick note.
Please follow these guidelines when your child is ill.

• Your child has a fever if his/her temperature is 100.4 or over. Your child must be fever
free without the use of medicine for 24 hours before returning to school.
• If your child complains about an upset stomach, stomachache, or nausea, please
consider with whom he/she may have come in contact, especially during flu season.
• Please make sure your child has breakfast before coming to school. Many stomach
aches are a result of not having had breakfast.
• Please notify the school office and clinic if your child had a contagious disease or an
extended illness.

If possible, all medication should be taken at home rather than at school. However, if
medications must be taken at school, an authorization and instruction form entitled
“Authorization to Give Medication at School” must be completed. This form will be sent home
with students at the beginning of the year. The medicine, in the original container, along with
the instruction and authorization form must be brought to the school office for central storage.
If possible, the parent should bring the medication to school; however, if this is not possible,
your child should be instructed to take the medication and instructions directly to the school
office. Under no circumstances should medication, prescription or non-prescription, be kept
by a student or shown to other students. Additionally, please note that all prescription
medication requires a doctor's signature.

Please see “Attendance-Absences” for procedures to follow when your child returns after an
illness.
LOST AND FOUND
Parents and students are encouraged to check regularly for lost items in the Lost and Found closet. Please mark all student belongings, including clothing, backpacks and lunch boxes, clearly with the child’s name. Boxes of unclaimed items are periodically donated to local charities.

PARKING
All parents and visitors must park in the front parking lot of the building in lined spaces when coming to the school. The curbs around the school are fire lanes and must be kept clear at all times. Reserved handicapped spaces are available.

PARTIES
Two classroom parties are provided for students by PTA room parents—Winter and Spring. Parties are coordinated by the room parents. Do not send cakes, cupcakes, or party favors at any other time to be distributed.

PTA
The PTA plays a vital role in the success of our school. Many parents volunteer their time, financial resources, and special talents in endless ways as they truly become partners in their children’s education. We strongly encourage you to join the PTA and become active participants in the volunteer program. We also ask your support of various fundraisers as monies raised directly impact our students served. We request that each family unit support our school through volunteering in some manner during the 2019-2020 schoolyear.

RECESS
Fulton County Board Policy states that all students will have 30 minutes of recess each day. Specific recess times and activities will be discussed further at Curriculum Night.

SCHOOL GOVERNANCE COUNCIL
The purpose of the School Governance Council is to provide parents, school staff, and community members with a leadership role in the management of the school. The School Governance Council is a governing body that is representative of the community and the school but operates under the control and management of the Board of Education. The Council is responsible for making decisions regarding the strategic direction of the school.

SCHOOL RECORDS
Parents or legal guardians have the right to examine their student’s records and to have them explained. Principals, counselors, teachers, and other authorized personnel who have responsibility for supervising, instructing, or helping a student will have access to that student’s records. No third-party releases will occur without written permission from the parent.
SCHOOL SUPPLIES
All basic school supplies are provided by Fulton County. A wish list is distributed by each grade level at the beginning of the year, should you wish to contribute to the classroom. A backpack should be used for your child to carry papers and projects home. Please check the backpack daily for important correspondence and homework. Each student will be given a folder that will be sent home on Fridays with any paperwork and work samples for families to see.

SNACKS
Students are encouraged to bring a healthy snack to school each day. To prevent the passing of germs and allergic reactions, snack sharing among students is not allowed.

VOLUNTEERING
To volunteer with students at school, visit the Manning Oaks website, click on the volunteer link and complete the online registration. Once you have done this, please wait at least 3 days and then go to the school to finalize the process which includes scanning your Official Government Issued ID. Once it is scanned, you are ready to volunteer.

Volunteers are important to the success of Manning Oaks Elementary School. If you are able to volunteer, please contact your child’s teacher, the PTA, the media specialist, or an administrator to discuss the many options available. We welcome your help.
