WHAT IS EXPLORE LEARNING GIZMOS?

Gizmos are interactive math and science labs and simulations for grades 3-12. Fulton County Schools provides the Gizmos app to students and teachers for use in 6-12 science classrooms.

ACCESSING GIZMOS ON A COMPUTER

1. Go to <https://launchpad.classlink.com/fcs>
2. Enter your FCS username and password.
 - Username: Fulton Student ID #
 - Password: The default password is the student's date of birth without any special characters (mmddyyyy).
 - **NOTE:** Students may change their own password. If you do not know your password, please contact the Fulton County Schools IT Service Desk.

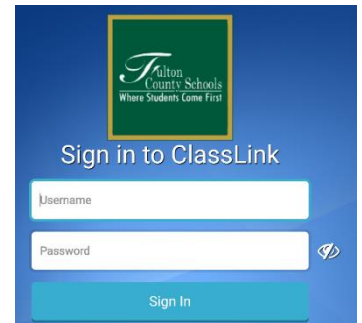

3. Once logged into ClassLink, click the Gizmos icon.

4. After the app has opened and loaded, click the name of your class. The Gizmo activities that your teacher has assigned should display.

ACCESSING GIZMOS ON A MOBILE DEVICE

1. Download the ClassLink app
 - a. **Fulton iPad:** Download the ClassLink app from the District Catalog on the iPad's desktop.
 - b. **Personal Device:** Download the ClassLink app from the Google Play or Apple App Store.
2. The first time you launch the ClassLink app it will ask you for the name of the school or district. Type **Fulton**.
3. Enter your Fulton username (Student ID#) and password. Click Sign in.

The image shows the ClassLink login interface for Fulton County Schools. At the top is the school district logo with the tagline "Where Students Come First". Below the logo, the text "Sign in to ClassLink" is displayed. There are two input fields: "Username" and "Password". To the right of the password field is an eye icon for toggling visibility. At the bottom is a blue "Sign In" button.

5. Once logged into ClassLink, click the Gizmos icon.
6. After the app has opened and loaded, click the name of your class. The Gizmo activities that your teacher has assigned should display.

MINIMUM SYSTEM REQUIREMENTS

Gizmos will run on any browser or device. For the best experience, we recommend the latest version of Chrome, Firefox, Safari, or Microsoft Edge.
