

# STUDENT GUIDE FOR EASYTECH KEYBOARDING BY LEARNING.COM

## WHAT IS LEARNING.COM?

EasyTech Adaptive Keyboarding is a program offered by learning.com to help students learn typing skills. Students in grades K-5 use this program to complete lessons that are assigned by a teacher.

## ACCESSING LEARNING.COM FROM A COMPUTER

1. Go to <https://launchpad.classlink.com/fcs>
2. Enter your FCS username and password.
  - Username: Fulton Student ID #
  - Password: The default password is the student's date of birth without any special characters (mmddyyyy).
  - **NOTE:** Students may change their own password. If you do not know your password, please contact the Fulton County Schools IT Service Desk.

3. Click on the Learning.com icon.

4. If students have lessons to complete, they will show on the main screen. Students will need to have access to a full keyboard on their device when using EasyTech.

## ACCESSING LEARNING.COM FROM A MOBILE DEVICE

1. Download the ClassLink app
  - a. **Fulton iPad:** Download the ClassLink app from the District Catalog on the iPad's desktop.
  - b. **Personal Device:** Download the ClassLink app from the Google Play or Apple App Store.
2. The first time you launch the ClassLink app it will ask you for the name of the school or district. Type **Fulton**.
3. Enter your Fulton username (Student ID#) and password. Click Sign in.

4. Once logged into ClassLink, click the Learning.com icon.

5. If students have lessons to complete, they will show on the main screen. Students will need to have access to a full keyboard on their device when using EasyTech.

## MINIMUM SYSTEM REQUIREMENTS

Updated 6/3/2020. For the current minimum system requirements visit the [Learning.com website](#).

Operating System	Web Browser	Tablet Compatibility	Other Requirements
