

MICROSOFT TRANSLATOR

Mobile App

Android, Amazon, iOS, Windows

Download from the app store for use on any device (phone, tablet or computer).

Translate conversations

Speak or type in your language to communicate with other participants in the conversation. Other participants will see your messages in their own languages.

Translate text in photos

Translate the text in photos with the app's built-in camera viewer, or upload saved photos from your gallery. Download offline language packs for use when Wi-Fi is not available.
