## The Student Reading App

### Dear Students, Parents and/or Guardians:

Fulton County Schools is committed to bringing unique learning opportunities to our Middle and High School students, and we are pleased to offer a free reading service providing digital books through **Sora**, the student reading app.

### Why Sora?

The collection of titles in Sora is an extension of your local school's physical library, only it's in an app with 24/7 access to ebooks and audiobooks. It's convenient for students to check out titles at home, on the weekends or during school breaks with no worry about misplacing a book or running up late fees – these digital titles automatically return at the end of the lending period!

### How does it work?

1. Download the free Sora app from the Apple App store or Google Play Store. Search for "**Fulton County Schools**". Click on "student sign in". Sign into the app using your Fulton County Schools Student ID# and password.

or

Sign into your Fulton County Schools Classlink account. Click on the **Sora** icon.

2. Browse the **Explore** tab and borrow a book. Your book will open so you can start reading right away.

3. Close the book and go to your shelf to see all your books. From there, you can:

- Tap **Open Book** or **Open Audiobook** to read or listen to the book.

Tap **Options** to renew or return the book, get to your notes and highlights, and more.

**\*If you have any additional questions or need assistance, contact your school's METI.**
