Universal Remote Learning

Be respectful • Be responsible • Be engaged

Communicate respectfully

- Mute your microphone until you are answering a question.
- Turn your video on.
- Keep conversations on topic.

Use the meeting chat responsibly

- Think before you post - posts are permanent.
- Conversations need to be about schoolwork and for the class discussion.

Be prepared

- Have your laptop charged.
- Have your materials ready.
- Be on time.
- Join and exit the call at the scheduled time (not earlier or staying later).

Be engaged

- Choose a distraction free work area.
- Sit with a calm body during the lesson.
- Be an active participant and an active listener.

Use digital resources the same way we do at school, for schoolwork.
