Your AP Studio Summer Assignment is…..

Take in as much art as you can in or around Atlanta! If you are planning on traveling that’d be a great place to research ahead and find some art and/or cultural-experiences to add to this list!

Call or check the website ahead of time to check for hours and/or closures.

Use the next slide as a starting point… when you visit the museum or gallery, be sure to take as many photos as you can and sketch.

Take some time to also speak with someone working at the gallery. Share that you will be an AP Art Student next school year and are looking to gain inspiration by visiting their space. ASK what tips they have for an artist looking to discover his/her voice?

Document at least 3-5 places, experiences, and knowledge/information that you gained on 10 slide PowerPoint and be prepared to present and discuss the 2nd week of school.
