OUR MOTIVATION:

When we hit that goal, Mr. Petersen will be walking the halls with **pink hair!** Our grade level AP's will dye their hair **pink** too once their grade level hits 2K!

The homeroom with the most funds raised in each grade level will win a class pizza party. Both shirt purchases and donations count towards goal!

OUR INSPIRATION:

Students & Staff will create a **WILDCAT PINK RIBBON WALL** in honor, in support and in memory of those touched by Breast Cancer.

On **10.14.22 at NMS** all will be encouraged to write a few words to those impacted. Those messages will be posted for display for our **PINK OUT!**

All funds raised will be donated to the Susan G. Komen Foundation in honor, in support and in memory of those who have battled and are currently fight breast cancer within our Wildcat community.
