Login through Launchpad from any device.

1. Click on Inspire Science.
2. Click the read tab with the open book (to the right).
3. Under Lesson Search, click on the first drop down and click module 5: Plants and Animals.
4. Click on the first book to the right titled From the Seed to Tree.
5. Read it and answer the Respond to Reading questions (pg. 13) on a separate sheet of paper.
