Dear Second Grade Families,

Fulton County plans to implement Digital Learning Days in the event that school is closed 2 or more days due to inclement weather. Digital Learning Days are an opportunity to engage in learning remotely instead of attending school onsite on an inclement weather day.

**What to Expect:** Students in grades K-2 should spend no more than **90 minutes** working on their assignments. All assignments are due 1 week after our return to school unless additional time is provided by the teacher. If you do not have access to technology and require alternative assignments, please let your teacher know.

Your child's Digital Learning plan that is specific to 2nd grade is included. If you have any questions about the assignments, please do not hesitate to email your child’s teacher.

Thank you!

The Second Grade Team
**Grade 2 Digital Learning Day**

Check and Complete **ALL** activities

<table>
<thead>
<tr>
