Spring registration for prekindergarten, kindergarten and new students is scheduled for **Wednesday, May 6 and Thursday, May 7, 2020.**

Registration will be conducted virtually throughout the district on Wednesday, May 6 and Thursday, May 7; however, Kindergarten and new student registration is ongoing and parents are encouraged to go ahead and use the online enrollment application process at their earliest convenience. **Only parents of NEW kindergarten and new students need to register by these dates.** It is not necessary for parents of **currently** enrolled Pre-K students to use the online process for kindergarten registration.

**Kindergarten and New Student Registration:**

1. All parents will use the online registration process to register for the 2020-2021 school year at their earliest convenience. Parents must select the appropriate school year when registering.

2. Parents can access Infinite Campus via the Fulton County website [https://www.fultonschools.org/enrollment](https://www.fultonschools.org/enrollment) to complete the online registration process and upload documents.

3. Parents are encouraged to complete all online entries in Infinite Campus by May 6 - 7.

4. After completing the online registration form, please email Laura Armour (Data Clerk at River Eves ES) at ArmourL@fultonschools.org, include your application number, and let her know you have completed this part of the process. Your student will then be considered provisionally registered.

5. Our Data Clerk will contact you to set up an appointment for you to come in to bring the rest of the necessary registration documents once we are back in the building.

6. If parents do not have access to online registration, they will need to contact the school to make an appointment for registration after school buildings re-open.
