2023-2024 Spring Student Parking Application & Vehicle Registration

At the end of FALL semester 2023, **all students must RE-APPLY for Spring Semester Parking**. This parking application is for Spring 2024 semester only.

Spring Parking Application Process - Two Phases

1. **Senior Priority Application Period**: Only Seniors may apply during this time. This will guarantee a parking spot for seniors. Seniors who submit an application after this period, will enter the lottery with Juniors.
2. **Regular Application Period:** During this time frame both Juniors and Seniors will be allowed to apply**.**
   - Spots will be assigned via **Lottery System.**
   - When you apply your name is given a corresponding number in the system.
   - As we approach the parking application deadline, we will randomize the remaining number of available parking spots and assign them to students via a lottery.
   - All information regarding payment and sticker pickup will be relayed to the applicant upon assignment of a parking spot.
