

Hello Everyone,

Roswell North ES conducted the Pre-K Lottery with the following in attendance:

Dr. Conway, Principal

Laureen Wagner, Assistant Principal

Joy Fofana, School Counselor

Tammy Thomas, Data Clerk/Registrar

- We will begin the 2020-2021 school year with two Pre-K classes: General Ed Pre-K with 22 students and an Inclusion Pre-K class with 20 students. Six slots reserved for Inclusion students, leaving 14 slots available for the Inclusion class. The principal is allotted 4 staff slots.
- The lottery drawing consists of 32 available slots.
- The In-Zone Waiting list has priority over the Out-of-Zone Waitlist...meaning the In Zone Waiting list is depleted before the Out-of-Zone Waitlist is contacted. In the event other In-Zone parents apply after the drawing, they are ordered before the Out-of-Zone Waiting List. However, the past two years, both lists were depleted.
- **NOTE: We had twins in this lottery. Twins share one lottery ticket number. However, if selected, they cover two available slots.**

As you watch the video, the In-Zone Lottery drawing started with 34 In-Zone Applicants. All lottery tickets were displayed and placed in a clear bag. Dr. Conway recorded the video and Mrs. Wagner selected the ticket numbers, while Ms. Fofana recorded the results. After the 32 available slots were selected, the other remaining numbers were drawn for the In-Zone Waiting List.

After the In-Zone Waiting List, the Out-of-Zone Waiting List followed
