Jointly Developed

The School-Family Compact was jointly developed with parents, students, and teachers. Teachers proposed academic and learning strategies, parents expounded on teacher strategies to make them more effective, while student input expressed how these strategies would help support their learning. While School-Family Compacts are updated annually, parents, students, teachers, and staff input are welcomed throughout the school year and through Title I Surveys.

2023-2024

Brookview Elementary School SCHOOL-FAMILY COMPACT Revised May 22, 2023 Grades K-2

What is a School-Family Compact?

Brookview Elementary students participating in the Title I, Part A program, and their families, agree that this compact outlines how the parents, the entire school staff, and the students will share the responsibility for improved student academic achievement as well as describes how the school and parents will build and develop a partnership that will help children achieve the state's high standards.
