**Artful Stories**
Michael C. Carlos Museum
A wonderful experience for pre-kindergarten students, Artful Stories is a multilayered educational program. The program and buses are offered free to FCS Pre-K classes through the generous funding support from the PNC Foundation in partnership with the Carlos Museum and the Teaching Museum.

Pre-K classes will travel to Emory University’s Carlos Museum to explore the galleries, hear a story, and enjoy hands-on art making—a great opportunity for students to experience art, literacy, and cultures of the world. The program is open to pre-Kindergarten classes of 23 students or less, with a minimum of 1 chaperone/teacher for every 5 children. If your group has special needs, please let us know. This program is only available for Pre-K classes. Spaces are limited—so book now!
