

What is a School-Family Compact?

A School-Family Compact is a written agreement staff, parents/family, students, develop together. It explains how the staff and parents/families, will work together to make sure all students improve to reach grade-level standards.

Jointly Developed

The School- Family Compacts were jointly developed and revised with input from the staff parents/family, staff, students, and community members. Our school encouraged all parents, family, staff, students, and community members to participate in completing our Qualtrics survey in the Fall of this year. This meeting allowed parents, family, and community members to be collectively involved in the revision of our School-Family Compacts. Input for our School-Family Compacts were gathered using different methods, such as, surveys, email, and feedback forms. To give input on the compact. Additionally, we welcome feedback throughout the school year.

3rd Grade Mathematics

By May 2021, 70% of First Graders will show a minimum of 50% progress toward annual typical growth between the Boy to Moy iReady diagnostic.

3rd Grade Focus areas

- Use language skills effectively to answer a constructed response question.

For example: reading a passage and responding to a question in short answer form.

- Building fluency with addition, subtraction and multiplication.

Teacher/Support Staff will...

- Provide parents and student with digital resources they can use at home.
- Provide parents with academic workshops that focus on reading and math strategies.
- Provide students with reading log to encourage reading nightly for 20 to 25 minutes.

Parent/Guardian, and Family will....

- Use digital resources at home with my child.
- Attend school wide academic workshops which will focus on reading and math. Strategies. This will allow us to utilize this at home to better support my child.
- Read with your child for 20 to 25 minutes daily and help them log their books.

Students will....

- Use digital resources at home with my parents/guardian and or family.
- Use materials from parent workshops that parents/guardian attended that focus on reading and math.
- Use the reading log and read for 20 to 25 minutes daily with family member(s).
