

### **What is a School-Family Compact?**

A School-Family Compact is a written agreement staff, parents/family, students, develop together. It explains how the staff and parents/families, will work together to make sure all students improve to reach grade-level standards.

#### **Jointly Developed**

The School- Family Compacts was jointly developed and revised with input from the staff parents/family, and students of College Park Elementary School. Our school encouraged all parents, family, staff, students, and community members to participate in completing our Qualtrics survey in the Fall of this year. This meeting allowed parents, family, and community members to be collectively involved in the revision of our School-Family Compacts. Input for our School-Family Compacts were gathered using different methods, such as, surveys, email, and feedback forms. to give input on the compact. Additionally, we welcome feedback throughout
