School board to meet for January 8 work session

The Fulton County Board of Education will meet Tuesday, January 8, for a work session at the school system's North Learning Center at 450 Northridge Parkway in Sandy Springs.

The school board will first meet at 11 a.m. for an Audit Committee meeting, immediately followed by a pre-work session and an executive session. A series of public workshops will begin at 3 p.m., and should the presentations conclude early, the board may move to immediately begin discussion of the topics slated for the Thursday, January 17, board agenda. At 6 p.m. the board will conduct its monthly recognition of outstanding student and staff accomplishments followed by a [public comment session](#).

All topics being discussed are posted on [BoardDocs](#), an online program that makes the school board agenda and all supporting documents available online. School board meetings can be watched live on FCS-TV Comcast Channel 24 or from a computer using [this link](#). Video recordings of the meetings are archived to the [videostreaming website](#) within 48 hours of the meeting.

All meetings of the school board are open to the public unless designated as executive session, where the board must convene in private to discuss land, legal or personnel items.
