## School board to meet February 21 at the South Learning Center

The Fulton County Board of Education plans to meet tomorrow at the district's South Learning Center, located at 4025 Flat Shoals Road in Union City, for its February 21 meeting.

The school board will convene at 3:30 p.m. for a pre-work session and afterwards move to executive session. At 6 p.m., the board will conduct a public comment session, with the action meeting officially beginning afterwards.

Most of the meeting's agenda items were discussed fully at the February 12 work session and are expected to be approved with little or no discussion at the board table. All topics up for approval are posted on [BoardDocs](#), a website that makes the school board agenda and all supporting documents available online. The meeting's business agenda will begin immediately after the public comment session.

School board meetings can be watched live on FCSTV Comcast Channel 24 or from a computer using [this link](#). Recordings of the meeting also are archived to the [videostreaming website](#) within 48 hours of the meeting.

All meetings of the school board are open to the public unless designated as an executive session, where the board must convene in private to discuss land, legal or personnel items.
