## School board to meet March 21 at the South Learning Center

The Fulton County Board of Education plans to meet tomorrow at the district's South Learning Center, located at 4025 Flat Shoals Road in Union City, for its March 21 meeting.

The meeting will convene at 3 p.m. for the first presentation of the FY 2020 budget, which will include a review of federal funds and self-supporting programs (Title I, Title II-A, Title VI-B, pre-kindergarten, school nutrition, debt service, and retirement services/pension). Immediately following the workshop, the board will convene to executive session, with the meeting moving to open session at 6 p.m. for recognition of students and staff followed by a [public comment session](#). The action meeting officially begins afterwards.

Most of the meeting's agenda items were discussed fully at the March 12 work session and are expected to be approved with little or no discussion at the board table. All topics up for approval are posted on [BoardDocs](#), a website that makes the school board agenda and all supporting documents available online. The meeting's business agenda will begin immediately after the public comment session.

School board meetings can be watched live on FCSTV Comcast Channel 24 or from a computer using [this link](#). Recordings of the meeting also are archived to the [videostreaming website](#) within 48 hours of the meeting.

All meetings of the school board are open to the public unless designated as an executive session, where the board must convene in private to discuss land, legal or personnel items.
