Fulton County School Board to Announce Finalist for Superintendent

What: The Fulton County School (FCS) Board will announce the finalist for permanent Superintendent of Schools.

Why: As prescribed by Georgia law, the school board must give a minimum of 14 days for public input on a finalist for the position of Superintendent.

The FCS Board would like the community, principals, teachers, staff, parents, and students to meet the finalist and have the opportunity to hear from them about their vision for the school system.

The FCS Board feels it is important to provide time for the community to ask their questions and interact with the candidate personally before making a final vote.

12 p.m. (Noon)
