School board to meet May 16 at the South Learning Center

The Fulton County Board of Education plans to meet tomorrow at the district's South Learning Center, located at 4025 Flat Shoals Road in Union City, for its May 16 meeting.

The meeting will convene at 3:30 p.m. for a pre-work session. Immediately following, the board will convene to executive session. At 6 p.m., there will be recognition of students and staff followed by a [public comment session](#). The action meeting officially begins afterwards. The Budget Hearing will begin at 6:30 p.m.

Most of the meeting's agenda items were discussed fully at the May 7 work session and are expected to be approved with little or no discussion at the board table. All topics up for approval are posted on [BoardDocs](#), a website that makes the school board agenda and all supporting documents available online. The meeting's business agenda will begin immediately after the public comment session.

School board meetings can be watched live on FCSTV Comcast Channel 24, AT&T Ch. 99, and Google Fiber TV Ch. 145 or from a computer using [this link](#). Video recordings of the meeting are archived to the [videostreaming website](#) within 48 hours of the meeting.

All meetings of the school board are open to the public unless designated as an executive session, where the board must convene in private to discuss land, legal or personnel items.

###

About the Fulton County School System. The Fulton County School System is the fourth largest school system in Georgia.
