## Item

- The committee discussed some of the over lapping between PTA, Foundation, SGC, and others. Foundation said they do not reach out to partners for money. PTA goes to partners and asks for donations for Family Fun Night. A lot of what partners do is donation materials not money. Mathnasium does donate money. Partners like Publix will not donate to PTA's but will look at requests from the school.
- How does SGC want to engage with partners? What are Dolvin's greatest needs?
- Lee will follow up with the Grant Champion Committee.
- Bell shared some of the steps they learned about at the SGC Conference for achieving a goal with partners.
- Clement also discussed having the PTA, Foundation, and SGC meeting to identify common goals and how all of these organizations can help us achieve our goals. We need to be organized in our approach for goals.
- Agnew asked if SGC can fundraise. Stewart mentioned that it is a little outside SGC's role.
