School Governance Council Meeting Norms & Team Compass Points

The SGC created these meeting norms in order to foster an environment that would produce the best results for our students. Meeting norms are behavioral expectations that should be upheld by each SGC member.

1. Make all decisions with students in mind first
2. Be invested in the work (be prepared and present)
3. Use “I propose” when stating potentially controversial statements; respond by restating what has been said by using “and” or “but”
4. No hidden agendas
 - a) Say what you see
 - b) Ask clarifying questions to avoid assumptions
 - c) Seek collaboration not confrontation
5. Don’t attack the person address the solution/issue; and receive feedback with an open mind
6. Maintain a united front (no hallway commandos)
7. Be respectful (regardless of age, education or experience)
8. Respect everyone’s time (start/end time and speaking time)
