

Summary of Meeting Actions, 3/6/2019

6 of the nine current council members were present for the 3/6/2019 council meeting; there are no solicitation of comments and concern from the community.

Agenda Items and Actions

Approved Agenda for current council meeting

Approved Minutes from April council meeting

Overview of cross-council meeting – leaders from Chattahoochee and feeder schools met to discuss areas where the SGCs perform well and areas for improvement.

Overview of budget meeting – Mr. Duncan discussed the budget for the next school year. It remains similar to the current school year.

Elections Update – there are three parents and five teachers running for open positions. Elections will open on March 11th. Goals of 70% teacher participation and 30% parent participation.

Standards Mastery Framework – Chattahoochee is well positioned to implement changes with SMF.

School Budget – school budget is being reduced due to uncontrollable issues. The school is managing to make the changes necessary without negative impacts on student learning.

Action Item: Approval of Budget – the school budget was approved unanimously.

Principal's Report - Mr. Duncan reported: The greenhouse is an ongoing project. We are working on finding a direction for the program that will create a top greenhouse.

Greenhouse Update – the greenhouse is in the final stages. There still needs to be a retaining wall and the other details completed.
