Agenda Items and Actions

Approved Agenda for current council meeting

Approved Minutes from April council meeting

Introduction of new members present, Carla Boudreaux & Eleta Andrews

RFF for study skills class – no community members present for comment

RTI Presentation – Dr. Michael Todd – Chattahoochee is participating in a federally mandated program. Data generated by Dr. Lee indicates that students who have been entered into the RTI system have been improving and re-entering Tier 1 and improving reading and math scores.

Principal Selection – the process to select a new principal will begin. The schedule for this process's goal is a new principal by the May School Board Meeting.

Strategic Plan Monitoring Tool – created by the county to ensure that we are following the Strategic plan and working towards our goals.

Greenhouse Update – should be completed and opened by the end of April, retaining wall - TBD

Principal's Report – Mr. Duncan will be leaving to open the new STEAM Academy – new principal will be selected by end of May. Chattahoochee received one surplus Math teacher and has hired 2 teachers for next school year. Other budget decisions will be made by new principal and SGC.

Approved Adjournment

Next meeting: 5/1/2019, 3:50 in Room A101
